Market Hong Kong Limited

marketamerica® | SHOP•COM™

Market America, Inc. is a global product brokerage and Internet marketing company that specializes in one-to-one marketing. Our mission is to provide a robust business system for entrepreneurs (“UnFranchise Owners” or “UFO”) to sell and distribute products, goods, and services, while providing consumers a better way to shop. Over the years a body of regulatory law covering consumer protection, prevention of misrepresentation, and deceptive or unfair trade practices has been promulgated for direct sales and home based business opportunities. Two areas of law that regulatory agencies are most concerned with are (1) the methods a company uses to attract new entrepreneurs or customers; and (2) the basis on which incentives are awarded.

Since 1979, the FTC and other agencies have been refining their definition and acceptance of legitimate sales and distribution activities and programs. The following guidelines are strictly adhered to in order to avoid the risk of a government investigation and/or legal problems: (1) UFOs should avoid deceptive income and unsubstantiated product claims; (2) UFO’s compensation should be linked to product sales to customers that do not participate in the compensation program; (3) UFOs must not be compensated for recruiting other UFOs; and (4) Market America must provide a comprehensive inventory return and buy-back policy. From its inception, Market America’s policies, procedures, rules and regulations within the Management Performance Compensation Plan (MPCP) were designed and implemented to meet or exceed the letter and spirit of these legal guidelines, and ensure its systemic safe guards guarantee adherence and enforcement of these principles of law.

Key elements contained within the MPCP and the Global Meeting, Training, and Seminar System (GMTSS), cultivate and encourage compliance with the laws and guidelines that govern how the UnFranchise Business must be conducted. The MPCP includes a series of acknowledgements and agreements that must be executed and submitted. These agreements state that in order to earn and continue to earn in the MPCP there are initial and ongoing sales activity and training requirements that must be performed and maintained. These sales activities and training requirements are measured and monitored before compensation is awarded.

Due to the number of trainers necessary to support the organizational growth by geographical density and ensure that all UnFranchise Owners who desire to participate in the MPCP are able to meet their training requirements, Market America has created an “open” GMTSS (meaning any UnFranchise Owner may attend a training session anywhere regardless of their line of sponsorship). Market America has enlisted the most qualified UnFranchise Owners in the field to conduct these ongoing, required training sessions. These sessions help enhance sales and distribution skills, as well as support Market America’s organizational growth and expansion strategies.

UnFranchise Business Presentation Coordinators within the GMTSS will achieve eminence and distinction within Market America and among UnFranchise Owners. On this path to leadership Market America and its UnFranchise Owners will edify and promote UnFranchise Business Presentation Coordinators, and encourage all UnFranchise Owners to attend GMTSS UnFranchise Business Presentation events. Periodically, an UnFranchise Business Presentation Coordinator may receive, directly or indirectly, Proprietary and Confidential Information (see provision #20 of IUA&A, Proprietary and Trade Secret Information) that will assist the UnFranchise Business Presentation Coordinator fulfill his/her duties in

accordance with the MPCP and GMTSS to help UnFranchise Owners build their business.

By agreeing to the covenants in the UnFranchise Business Presentation Coordinator Agreement and assuming the position of a GMTSS UnFranchise Business Presentation Coordinator, UBP Coordinator acknowledges and accepts that all UnFranchise Owners (attendees and their line of sponsorship) are beneficiaries of the GMTSS and that Market America and the UnFranchise Owners have placed their utmost faith and trust in the UBP Coordinator. The UBP Coordinator agrees to perform his/her obligations with loyalty and reasonable care for all attendees, at any given time, and the UBP Coordinator accepts that the trust and confidence placed in the UBP Coordinator creates a fiduciary relationship. But for this relationship the open GMTSS would be rendered totally ineffective.

UBP Coordinator, his/her agents, attorneys and representatives, will not use the Proprietary and Confidential Information, property or trade secrets in any way for their own personal gain during the term of this Agreement or after termination of this Agreement.

11. DUTY OF LOYALTY

UBP Coordinator acknowledges that he/she holds a very sensitive position. UBP Coordinator receives information, which Market America does not provide to other UnFranchise Owners. Also, UnFranchise Business Presentation Coordinators have a high profile in Market America's network of UnFranchise Owners, and UnFranchise Business Presentation Coordinators are responsible for enforcing Market America policies and procedures. In light of the sensitivity of this position, UBP Coordinator agrees that for so long as he/she remains an UnFranchise Business Presentation Coordinator, he/she will not, directly or indirectly; act as a distributor or advisor, or in any other capacity on behalf of, another Competing Company. For purposes of this Agreement, "Competing Company" shall include, but is not limited to, any direct sales, network marketing, affiliate marketing or similar business ventures or marketing opportunities.

13. CONFIDENTIALITY WITH REGARD TO SUPPLIERS

As an UnFranchise Business Presentation Coordinator, UBP Coordinator may learn the identity and other information regarding Market America suppliers and vendors. This information provides a competitive advantage for Market America because Market America is the only distributor for many of our products, and Market America often works in conjunction with suppliers or vendors to develop the products. UBP Coordinator acknowledges the sensitivity of this information regarding Market America suppliers. Thus, UBP Coordinator agrees 1) not to enter into any transaction, directly or indirectly, with any Market America vendor or supplier, during the period when UBP Coordinator is a UnFranchise Owner for Market America, and after UBP Coordinator ceases to be a UnFranchise Owner and 2) not to disclose any of Market America's supplier or vendor information to any third party or other UnFranchise Owner.

14. NON-SOLICITATION COVENANT

- a. **During Term.** As an UnFranchise Business Presentation Coordinator, UBP Coordinator enjoys a high profile and positive reputation with the network of UnFranchise Owners. UBP Coordinator receives this broad recognition and approval by virtue of his/her status as an UnFranchise Business Presentation Coordinator, which privilege is conferred upon UBP Coordinator at the discretion of Market America. Thus, due to the sensitive information received as an UnFranchise Business Presentation Coordinator, during the term of this Agreement, UBP Coordinator may not solicit, directly or indirectly (including but not limited to the use of websites and social media), or through a third party, another UnFranchise Owner or customer to enroll or participate in a Competing Company, whether or not the UnFranchise Owner or customer was personally sponsored by UBP Coordinator.

UBP Coordinator was an UnFranchise Owner; and

- (4) within 100 miles (161 kilometers) of any GMTSS presentation conducted by UBP Coordinator.
- c. This conduct constitutes recruiting even if the solicited UnFranchise Owner's or customer's actions are in response to an inquiry or contact made by another individual or company on UBP Coordinator's behalf and even if the solicited UnFranchise Owner's or customer's response is not directed to UBP Coordinator. Should UBP Coordinator solicit another UnFranchise Owner or customer, regardless of whether UBP Coordinator personally sponsored or personally registered the UnFranchise Owner or customer, there shall be a presumption that UBP Coordinator utilized Proprietary and Confidential Information. UBP Coordinator must then prove by the preponderance of the evidence that the solicitation was done without the use of Proprietary and Confidential Information.
- d. If UBP Coordinator violates this provision, the time period will be extended by two (2) years from the date of the last violation.
- e. UBP Coordinator acknowledges and agrees that if UBP Coordinator violates the terms of this section, Market America will be irreparably harmed and the full extent of Market America's damages will be difficult to determine and likely not sufficient; therefore, Market America shall be entitled to equitable relief, including but not limited to immediate temporary, preliminary, and permanent injunctive relief against UBP Coordinator and all those acting in collaboration with UBP Coordinator to prevent and enjoin any violation of this section. This remedy is in addition to any other legal remedies to which Market America may be entitled, including but not limited to disciplinary sanctions and recovery of damages caused by UBP Coordinator's breach. The provisions of this section shall survive termination of this Agreement.

15. LIMITED NON-COMPETE

- a. **During Term.** Due to the sensitive information received by UBP Coordinator, UBP Coordinator is prohibited from, directly or indirectly, acting in any capacity on behalf of a Competing Company during the term of this Agreement. UBP Coordinator agrees that he/she is also prohibited from, directly or indirectly, using Proprietary and Confidential Information to offer or promote any non-Market America products or business opportunities to UnFranchise Owners or customers regardless of whether such business opportunities or products relate to a Competing Company.
- b. **After Termination.** UBP Coordinator agrees that for a period of one (1) year after the termination of this Agreement, whether by reason of voluntary or involuntary termination, UBP Coordinator will not, directly or indirectly, act in any capacity on behalf of a Competing Company:

- (3) within 100 miles (161 kilometers) of any UnFranchise Owner in his/her downline who achieved the level of Executive Coordinator or above during the time that UBP Coordinator was an UnFranchise Owner; and
 - (4) within 100 miles (161 kilometers) of any GMTSS presentation conducted by UBP Coordinator.
- c. This section shall expressly prohibit, directly or indirectly, advising a Competing Company regarding marketing plans, products, promotions, pricing, computer systems, legal systems and other strategic matters, and being involved, directly or indirectly, in a Competing Company.
- d. If UBP Coordinator violates this provision, the time period will be extended by one (1) year from the date of the last violation.
- e. UBP Coordinator acknowledges and agrees that if UBP Coordinator violates the terms of this section, Market America will be irreparably harmed and the full extent of Market America's damages will be difficult to determine and likely not sufficient; therefore, Market America shall be entitled to equitable relief, including but not limited to immediate temporary, preliminary, and permanent injunctive relief against UBP Coordinator and all those acting in collaboration with UBP Coordinator to prevent and enjoin any violation of this section. This remedy is in addition to any other legal remedies to which Market America may be entitled, including but not limited to disciplinary sanctions and recovery of damages caused by UBP Coordinator's breach. The provisions of this section shall survive termination of this Agreement.

16. PROTECTION OF MARKET AMERICA'S SALES FORCE

UBP Coordinator recognizes that Market America and all of its UnFranchise Owners (herein referred to as Market America's "Sales Force") have invested substantial time, energy, effort, and money in training and building this Sales Force; therefore, protecting Market America and the Sales Force from unfair competition is critically important. UBP Coordinator agrees and warrants that he/she will not in any way, directly or indirectly, during the term of this Agreement or thereafter, make any statements (orally or in writing, whether fiction or nonfiction) or take any action(s), which in any way disparage or defame Market America, its parent, subsidiaries or affiliates ("Related Companies") and/or their respective officers, directors, partners, principals, employees, third party vendors, consultants, agents, attorneys or advisors, or in any way, directly or indirectly, cause or encourage any other person to make such statements or take such actions. UBP Coordinator further agrees that provisions contained in this Agreement are reasonable and necessary to protect the legitimate interests of Market America, the Sales Force and Related Companies, and that Market America will not accept the UnFranchise Business Presentation Coordinator Agreement in the absence of UBP Coordinator's agreement to these provisions. UBP Coordinator acknowledges and agrees that if he/she violates the terms of this section, Market America will be irreparably harmed and the full extent of Market America's damages will be difficult to determine and likely not sufficient; therefore, Market America shall be entitled to equitable relief, including but not limited to immediate temporary, preliminary, and permanent injunctive relief against UBP Coordinator and all those acting in collaboration with UBP Coordinator to prevent and enjoin

any violation of this section. This remedy is in addition to any other legal remedies to which Market America may be entitled, including but not limited to disciplinary sanctions and recovery of damages caused by UBP Coordinator's breach. The provisions of this section shall survive termination of this Agreement.

17. ENFORCEABILITY, SEPARATE COVENANTS

- a. UBP Coordinator acknowledges that the covenants included in Sections 10 through 16 above are crucial to the success of Market America and that violation of the covenants would immeasurably damage Market America and/or its affiliates. The parties agree that any breach of the terms of Sections 10 through 16 will be a material breach of this Agreement. If UBP Coordinator fails to comply with any provision of Sections 10 through 16, all rights of UBP Coordinator and any person claiming under or through UBP Coordinator to the payments described in this Agreement shall terminate, and no person shall be entitled thereafter to receive any payments hereunder. Additionally, UBP Coordinator agrees that if there is a breach or threatened breach of the provisions of Sections 10 through 16, Market America will be irreparably harmed and the full extent of Market America's damages will be difficult to determine and likely not sufficient; therefore, Market America shall be entitled to equitable relief, including but not limited to immediate temporary, preliminary, and permanent injunctive relief against UBP Coordinator and all those acting in collaboration with UBP Coordinator to prevent and enjoin any violation of this section. This remedy is in addition to any other legal remedies to which Market America may be entitled, including but not limited to disciplinary sanctions and recovery of damages caused by UBP Coordinator's breach. Nothing herein shall be construed as prohibiting Market America from pursuing other remedies for such breach or threatened breach.
- b. Each of the covenants contained in Sections 10 through 16 shall be construed as an independent agreement. The existence of any claim or cause of action by UBP Coordinator against Market America or any of its affiliates, officers, directors, shareholders, employees, representatives, or agents, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by Market America of any such covenant.
- c.
